

All bookings can be made online at www.coltrandi.com or by phoning 07 3245 3411.

BOARDING FOR YOUR CAT

Diet

We cater for all cat needs and diets including kittens.

For the adult cat. We feed a well balanced diet with all the necessary nutrients, our wet food is Scotty's suprcat pet mince, Whiskas or Dine. Dry food is Whiskas go-cat or kitty-cat, all kittens are catered for. As cats are grazers we feed meat as a first meal, bowls are then cleaned and dry food is left for them for the rest of the day.

Cleanliness

The cat units are vacuumed, moped and disinfected twice daily, all kitty litters are also changed twice daily, carpet inside of huts are powdered with an anti bacterial substance and all water and feed bowls are disinfected daily.

Vaccinations

All pets must be fully vaccinated feline 3 excepted, kennel management must sight vaccination certificate on pets entry. Coltrandi has a 24 hr vet on call, pets that are not vaccinated or appear to have any cough or ill health symptoms will not be excepted for entry into our board kennels unless cleared by a veterinary.

Medication

All basic medications are given by management free of charge. Pets requiring consistent medical treatment may lead to extra daily charges the administer of any special medications such as (needles, bandaging etc)

Veterinary

Coltrandi has a 24hr, 7 days a week vet on call if at any tie your pet should need emergency or professional medical attention during their stay with us.

Attention to Management

Any pets that have specific problems such as: fitting arthritis, muscle or bone problems injuries, allergies or eating disorders, etc we would appreciate details on the time of booking, we then can cater to your pets needs so there stay with us is calm and pleasant and safe for all.
